

Verification Disclaimer

Your benefits are decided by you or your employer. The Information obtained by CMB is provided by CMB contacting your Insurance plan's eligibility/benefits department and obtaining full details of your plan benefits or using their online provider portal.

It is the responsibility of the policyholder and covered parties of the policy to know and understand their benefits. Benefit Verifications, Patient Responsibility Amounts are not a guarantee of payment. Patient Responsibility provided is an estimate of cost and does not replace any contracts or amounts requested by your provider.

Claim Disclaimer

Claim submission is not a guarantee of reimbursement. Reimbursement is subject to your specific plan benefit and the network status of your provider. CMB does NOT guarantee OR control the amount paid by said plan insurance provider. CMB does guarantee that we will exhaust all options to ensure that submitted claims are properly processed.

Your chosen provider may be considered an out of network provider. For clients that hold HMO policies, reimbursement will not be obtained, as HMO policies do not support out of network providers.

Billed Charge Amount: Due to auditing regulations, CMB, as a billing company, is required to attain a set billing schedule based on national rates. These rates may differ from the provider's charging schedule CMB represents.

CMB does not guarantee insurance reimbursement. CMB does guarantee that all efforts will be exhausted to ensure your claim was PROPERLY processed.
